If you feel that God is leading you to unite with this fellowship, we accept members in the following three ways:

By your acceptance of Jesus Christ as your personal Lord and Savior and request believer's baptism by immersion.

By transfer of membership from another Baptist Church of like faith and order.

By presenting yourself by "statement" and declare that you have previously accepted Jesus Christ as your Lord and Savior and have been baptized by immersion as a believer.

If you desire to join this church, make your decision public by coming forward during the worship service invitation to share your decision with the pastor.
